- **Tools:** SQL, Python, Microsoft Excel (PivotTables, VLOOKUP), Tableau, Power BI
- **Techniques:** Data reporting, dashboard creation, data cleaning, data modeling, documentation

PROJECTS

Case Competition – AI Curriculum Integration, Tippie College of Business

- Collected faculty testimonials on current AI use in coursework to assess baseline adoption
- Researched industry trends in analytics and AI to identify curriculum gaps and future workforce needs
- Presented a phased AI integration plan to a panel of judges, recommending curriculum updates

Air Quality Database Project – BAIS:3200 (In Progress)

- Designed a SQL database using 10,000+ NYC air quality records to study pollution trends across boroughs and seasons
- Writing multi-table SQL queries to extract, join, and summarize key pollutant metrics for clearer trend analysis
- Collaborating with teammates to interpret results and outline potential public health insights based on the data

EXPERIENCE

Liberty Communications

Sales & Marketing Intern

- Guided clients through transitions from legacy wireless systems to updated services, improving clarity and user adoption
- Built a streamlined Excel tracking tool adopted by leadership to improve visibility and reduce manual errors
- Engaged with 50+ prospects weekly while following structured outreach steps

University of Iowa Hospitals and Clinics

Inventory Management Assistant – Material Services Department

- Maintained accurate medical supply counts to ensure departments received the right materials when needed
- Identified and corrected stock discrepancies to prevent workflow interruptions
- Followed established distribution steps to keep supply movement consistent and reliable

Overland Sheepskin Co.

IA

Customer Service Representative (Seasonal)

- Used AI workflows to create consistent customer email responses and speed up turnaround.
- Resolved 50+ daily inquiries and processed 300+ seasonal orders by following established order-processing steps.
- Logged customer issues clearly to support accurate follow-up and minimize repeat problems in a high-volume environment.

Sunnybrook Living Care / Prestige

Certified Nursing Assistant (CNA)

2023

- Provided care for 30+ residents per shift, demonstrating adaptability and time management in a demanding environment
- Supported onboarding of new CNAs by sharing best practices, helping reduce training time, and improving team readiness
- Maintained detailed patient documentation to ensure accurate communication across healthcare teams

Fairfield, IA
